Dear Joe:

A personal "thank-you" for McPhee's help in restoring power to the Choate Rosemary Hall campus after a fire in one of our high voltage switches near in the Johnson Athletic Center on August 21, 2007.

Many of the Facilities Services workers on campus have spoken to me regarding the support of McPhee's personnel during our time of need. As our school celebrates its 118th Convocation and opening days of school next week, I am grateful for the service that the McPhee provides for our more than 800 students and 300 faculty and staff who make Choate Rosemary Hall their home.

We do rely on your expertise and want you to know that the McPhee personnel's exemplary work did not go unnoticed or unappreciated. Please extend our heartfelt thanks to all involved.

Sincerely yours,

Paula Welch
Director of Facilities
