Dear Al:

On behalf of the Mohegan Tribal Utility Authority and myself personally, the sincerest compliments and thanks to McPhee Electric during our recent substation equipment failure. From the immediate response throughout the effort, everyone performed with the highest professionalism and efficiency. An "above and beyond" recognition has to be given to Erik Weiss and Chip Ware for their efforts and contributions throughout the project. To them and all, our thanks for a job extremely well done.

Sincerely,

A handwritten signature in cursive script, appearing to read "Paul W. Woronik".
