

**COMPANY OVERVIEW &
EXPERIENCE**

INDUSTRY POSITION

McPhee has become a top provider in the competitive construction landscape for each of the distinct areas of business that it chooses to excel in: electrical construction, electrical service and engineering, wireless/cellular and utility substation, transmission and distribution throughout the Northeast and beyond.

EXPERIENCE

Since our founding in 1974, McPhee has grown steadily and strategically into an all-encompassing electrical and prime contractor. With a distinct focus on safety, quality, and collaboration, McPhee aims to build personal and sustained relationships on every project for the benefit of all team members.

McPhee is staffed with the highest degree of professional expertise that regularly challenges itself to the most complex and demanding projects available in the market today. We are confident that you will be impressed with the breadth and depth of know-how that is available when working with McPhee.

McPhee has offices in Farmington, CT (Opened in 1974), Boston, MA (Opened in 2003), and South Plainfield, NJ (Opened in 1993).
