

# Catalent Pharma Solutions

Catalent Pharma Solutions is a leading provider of advanced technologies as well as development, manufacturing, and packaging services for pharmaceutical, biotechnology, and consumer health companies in nearly 100 countries. The corporate headquarters is located in Somerset, NJ. This location houses their state of the art laboratory, clinical, and commercial manufacturing plant for oral dose forms. The high-tech nature of R&D and manufacturing demands specific technical skills in electrification for today's advancing pharmaceutical industry. McPhee Electric provides maintenance, upgrades and new installations at the headquarters on a continual basis. This is a testimony to our commitment to quality, innovation, and outstanding project execution.
